To Whom It May Concern:

Marquis Parker has been detailing cars for us since August of 2008. He has always been very courteous and professional when dealing with us. He is a very detail oriented person and takes great pride in his work. We are always pleased with his work and have never had any problems with Marquis. He is very dependable, he always shows up when he says he will. We would recommend Marquis to anyone that would be interested in having there automobile detailed.

Thank you,

Kathleen Antley
