RE: MARQUIS PARKER – RECOMMENDATION LETTER

I have personally known Mr. Parker for years and have used his services in maintaining my automobiles as well as my wife's. He does a thoroughly excellent job in washing, waxing, and interior conditioning.

I have also had him clean my boat at the Club and find him most versatile. He is knowledgeable and pleasant to have around.

Finally I find him of excellent character - a good father and husband.

I recommend him without reservation.
