

To Whom It May Concern:

I am happy to write this letter of recommendation for Mr. Marquis Parker of Divine Touch Detailing. I highly recommend Mr. Parker as a candidate for the Rapid Gate Program in order to further provide his auto detailing services. He has been detailing Marine Corps Community Services (MCCS) government van for the last few months. Mr. Parker has done such a great job with our MCCS 12 passenger van that I plan to have him care for our new 14 passenger bus as well.

Marquis has been a hard worker and is very meticulous when it comes to our vehicles. In addition, he is very reliable and has always been there when needed. He provides an outstanding, professional service and is looking to branch out in order to have more clientele. I believe that any individual that owns an automobile would greatly benefit from the services of Divine Touch Detailing.

It is for these reasons I have no reservations recommending Marquis Parker and Divine Touch Detailing to access the Rapid Gate Program. If you have any further questions, please do not hesitate to call me.

Sincerely,
